

## October 2018 SNIPPETS:

- **Gathering Information for Catholic Schools**

Daniel Pepper will be sending an information gathering email out shortly. We are asking that all Auckland Diocese Principals respond so that we are able to provide a 100% response to the Ministry's Growth Plan for our diocese. Linda McQuade has also provided a summary of this to help with your responses to the MoE's geographical requirements. This is important information to assist in the growth of our Catholic Education in the Diocese. We ask that responses are sent as soon as possible when you receive the email.
